

COOKIES POLICY

ECKIUM KNOWLEDGE SL may use cookies and similar technologies (hereinafter collectively “Cookies”) to store and retrieve information from the devices of users of its websites.

You state that you accept the use of cookies and our Privacy Policy if you browse through the site or continue to use the website. The use of cookies is voluntary, however, if you block their installation, you may have trouble making use of some features of the website.

What are cookies?

A cookie is a file that is downloaded to your device when accessing certain web pages. Cookies allow a website, among other things, to store and retrieve information about browsing habits of a user or a device and, depending on the information they contain and the way you use your device, they can be used to recognize the user.

What type of cookies are there?

- Technical cookies: for navigation and proper functioning of the website. They are necessary to enter restricted areas, complete the purchase process or share content on social networks.
- Personalization cookies: allows to configure a number of aspects such as language, currency, locale, etc.
- Analysis cookies: allow statistical analysis of the use of the web.
- Advertising cookies: allow effective management of advertising spaces.
- Behavioral advertising cookies: record browsing habits and allow the display of personalized content.

This website uses reCaptcha technology to prevent the sending and reception of unwanted emails generated automatically. This service retrieves information about user's hardware and software to perform a series of verifications and determine if the visitor is a person or a robot. Read the [Google's Privacy Policy](#).

Also, you should be aware that third-party cookies sent to your device by other partners, such as social networks or external embed content, like videos, will be installed: [Facebook](#), [Twitter](#), [Pinterest](#), [Google+](#), [GAnalytics](#), [Vimeo](#), etc.

Cookies management

You can allow, block or delete cookies installed on your device by configuring your browser options: [Firefox](#), [Chrome](#), [Internet Explorer](#), [Safari](#), [Opera](#). If you use other browser than the above, refer to its support content or its configuration settings.

To disable ads based on remarketing cookies, you can use the following links: [Facebook](#), [Twitter](#) (uncheck the “Promoted content” box on privacy settings) and [AdWords](#). On the other hand, if you do not want the Google Analytics JavaScript code to collect data from your visit, you can install the [Opt-out plugin](#) in your browser. The add-on does not prevent the information from being sent to the website itself or, by other means, to other web analytics services.
